### **New York State Tuition Assistance Program (TAP)**

Legal residents of the state of New York who are enrolled in a full-time degree program of at least 12 credit points a term, or the equivalent, may be eligible for awards under this program. The Graduate School requires all eligible financial aid applicants to apply for this grant. The TAP award replaces a portion of the tuition fellowship amount for students who receive full tuition grants. Students applying for TAP must do so via a FAFSA application.

### **Veterans Benefits**

Various Department of Veterans Affairs programs provide educational benefits for sons, daughters, and spouses of deceased or permanently disabled veterans as well as for veterans and in-service personnel who served on active duty in the U.S. Armed Forces after January 1, 1955. In these programs, the amount of benefits varies.

Since interpretation of regulations governing veterans benefits is subject to change, veterans and their dependents should keep in touch with the Department of Veterans Affairs. For additional information and assistance in completing the necessary forms, contact the Office of the University Registrar, 25 West Fourth Street, 1st Floor; 212-998-4800.

### **TUITION AND FEES**

The Graduate School of Arts and Science charges tuition on a per-point basis. For 2011-2012 the rate is \$1,382 per point. A student must complete 72 points for

the Ph.D. degree and 32–40 points for the master’s degree, depending on the program. A full-time course load is 12 points per semester, 24 points per year.

The Board of Trustees of New York University reserves the right to alter this schedule of fees without notice. All fees must be paid per term at the time of registration in the Office of the Bursar, located at 25 West Fourth Street. Checks and drafts should be drawn to the order of New York University in the exact amount of tuition and fees required. In the case of overpayment, the balance is refunded upon request by filing a refund application in the Office of the Bursar.

A fee will be charged if payment is not made by the due date indicated on the student’s statement.

The unpaid balance of a student’s account is also subject to an interest charge of 12 percent per annum from the first day of class until payment is received.

Holders of New York State Tuition Assistance Program (TAP) awards will be allowed credit toward their tuition fees in the amount of their entitlement, provided they are New York State residents enrolled full time and they attach the Award Certificate for the applicable term to their Statement of Account—Tuition and Fees.

Students who receive awards after registration will receive a check from the University after the New York State payment has been received by the Office of the Bursar, and the Office of the University Registrar has confirmed eligibility.
